

SAVE THE DATE

MDA Engage

Dallas, TX

Saturday, November 9, 2024

10:00am-3:30pm

T. Boone Pickens Institute of Health Sciences
5500 Southwestern Medical Ave • Dallas, TX

Join us for this one-day educational event for people living with a neuromuscular disease (NMD) and their loved ones. Each symposium is focused on increasing disease understanding, navigating critical life transitions, and supporting access to independence.

There is no cost to attend, but registration is required. Breakfast and lunch will be provided.

Learn more and register at
mda.org/care/community-ed/engage-symposiums.

Symposium Chairs

Daragh Heitzman, MD, FAAN
Texas Neurology

Susan Iannoccone, MD, FAAN
UT Southwestern

Disease-specific sessions will include:
BMD, DMD, ALS, LGMD, Myotonic Dystrophy

General Sessions may include:
Transition to Adulthood
Gene Therapy
Equipment & Assistive Technology
