

The 2010-2011 MDA/Walgreens Flu Shot Program has come to a close. However, MDA will still provide reimbursement for the cost of a flu shot vaccination, up to \$30, to individuals registered with the Association. Please contact the local MDA office you're registered with for further direction on seeking reimbursement from them for a flu shot vaccination. The contact information for the local office serving your area can be obtained by using the following [ZIP code locator](#).
