

During these unprecedented and uncertain times, our families are relying on MDA more than ever, and we are relying on our 66-year partnership with the IAFF to help give them hope during the COVID-19 crisis.

We are excited and thankful to work with the IAFF on this National initiative to virtually Fill the Boot to help keep vital services like research, support, and initiatives going for the families that we serve. MDA families are some of the most vulnerable during this crisis and we need from all Locals and all members to participate to help our families continue their fight!

## How to Participate in Virtual Fill the Boot

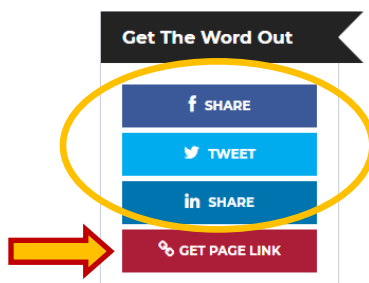

-  Click on this link: [www.mda.org/ftb](http://www.mda.org/ftb)
-  Scroll to the bottom of the page and click on **“Get Started”**
-  Click on the **“Fundraisers”** tab and then type in the name of your city (i.e. Colorado Springs). The webpage for your local should pop up. Simply click on the red text to navigate to your website.

### Fill The Boot Search

The screenshot shows a search bar with 'colorado springs' entered. Below the search bar, there are two tabs: 'Fundraisers' (highlighted with a yellow arrow) and 'Teams'. Under the 'Fundraisers' tab, a search result is displayed for 'Colorado Springs Fire Fighters L0005'. The result includes the MDA logo, the text 'Colorado Fire Fighters Participating in 2020 Fill the Boot', and a progress bar showing '\$0.00 / \$60,000.00'. A red 'DONATE NOW!' button is visible on the right side of the result.

-  Once you find your local's website, simply scroll to the bottom left of the page and find the **“Get Page Link”** button. You can copy the URL and share however you see fit. You also have the option to share on social media directly from this site.

-  Share with your members and ask them to do the same. We need all hands on deck to help support our families now more than ever!
