

Amazon Smiles

Shopping on Amazon Smile is an easy and great way to donate to MDA. Did you know that Amazon donates 0.5% of the price of your eligible Amazon Smile purchases to the charitable organization of your choice?

As we approach the holiday season and your shopping begins, members of the department and their family and friends can help support MDA by shopping at smile.amazon.com. Select “Muscular Dystrophy Association” as your charity recipient and start shopping for those perfect gifts while giving strength and independence to our families.

Then share on your Local’s social media page leading up to Cyber Monday (see sample posts in the Social Media section of the online Toolkit). Share your personal accounts & ask your members to do the same.

When you shop with Amazon Smile and choose MDA as your designated charity, you are giving strength, independence and life to MDA families.
