

Homemade Holiday Gifts

DIY Coffee Mugs

Materials: Ceramic coffee mugs (white works best), oil-based paint markers, oven

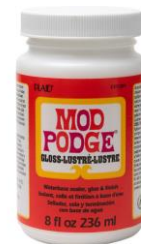

1. Decorate the coffee mugs with different designs
2. Once done decorating, bake the mug in the oven at 350°F for 20 minutes
3. Enjoy a nice hot drink in your new mug!

Mugs should be handwashed only

DIY Coasters

Materials: Cork/wood/plastic undesigned coaster (can be any shape), any medium you wish to use to decorate the coasters (paint, markers, stickers, etc.), ModPodge

1. Decorate the coasters with different designs and allow to dry
2. Apply 1-2 thin coats of ModPodge on the design (allow 15-20 minutes of drying time between coats)
3. Place your favorite beverage on the coaster!
